MEMORANDUM FOR: Chairman, Fine Arts Commission

SUBJECT : The Intelligence Museum

REFERENCE : Memo to C/FAC from ExDir dtd 18 Jul 72,
Same Subject

25X1A
1. On further consideration and reflection, I believe the plus value of having interested individuals involved in support of a museum would be worth maintaining a committee or commission. At the same time, I suggest that the Agency Historical Staff act as the secretariat of such a committee in order to profit from its knowledge of Agency history, its Directorate Historical Officers, and the advice of the Agency Historian as a member of the commission. The membership should include a representative of each directorate and such Consulting Members as the Executive Director might appoint (e.g., from NPIC, TSD, [REDACTED] OC, etc.). The Chairman should be appointed by the Executive Director.

2. Could you add these considerations to your review of referent memorandum, after which we will have a basis upon which to go to the Deputies.

W. E. Colby
Executive Director-Comptroller
